**Re: Engineering Services Contract for Engineer of Record (the "Agreement), dated 10/27/2022, by and between the Burlington Water District (District) and CURRAN-McLEOD, INC., an Oregon corporation.**

Dear Ricardo:

For over 40 years CURRAN-McLEOD, INC. has enjoyed providing engineering services to all of our clients. With the upcoming retirement over the next several years of long-time staff and one the Principals, Curt McLeod, P.E., we are looking for ways to ensure the continuity of our being able to provide you with high quality engineering services. At the same time, we want to provide our staff with a stable working environment that allows opportunities for career enhancement. By entering into an acquisition with MacKay Sposito, LLC. we will be able to meet all of your needs for the long term, while still providing the high level of service that our clients expect from us.

In the near future CURRAN-McLEOD, INC. intends to enter into an Asset Purchase Agreement with MacKay Sposito, LLC a firm originally founded in Vancouver, Washington and now with offices throughout the western United States. CURRAN-McLEOD, INC. intends to sell substantially to MacKay Sposito all of our Company's assets and obligations. In connection with this transaction, we are requesting permission from all of our clients to assign and transfer the obligations from CURRAN-McLEOD, INC. to MacKay Sposito, with the Buyer obtaining and assuming all the rights and obligations of the Company under the Agreement as if Buyer were the original party to the Agreement instead of CURRAN-McLEOD, INC. It should be noted that CURRAN-McLEOD, INC. staff serving you on this contract will remain the same or possibly increase in number as the need should arise.

We value our continued business relationship with the Burlington Water District and, following the Transaction and the Assignment, we will continue to perform services for the Burlington Water District pursuant to all Agreements with the same standard of care as you have always received from our Company.

In accordance with the terms of the Agreement, we are sending you this notice and requesting your consent to the Assignment. We anticipate that the Transaction will occur imminently; therefore, your prompt attention to this matter is greatly appreciated.

Please sign the next page of this letter to confirm that you consent to the Assignment and acknowledge that the Agreement will continue in full force and effect following the consummation of the Transaction and the Assignment. If you have any questions, please contact Edward P. Hodges, P.E., President of CURRAN-McLEOD, INC. at [eph@curran-mcleod.com](mailto:eph@curran-mcleod.com) or (503) 869-7849.

Sincerely,

CURRAN-McLEOD, INC.

Edward P. Hodges, P.E., President

Pursuant to the Agreement, the Burlington Water District (**District**) hereby consents to the Assignment and acknowledges that the Agreement will continue in full force and effect following the consummation of the Transaction and the Assignment with Buyer obtaining and assuming all the rights and obligations of the Company pursuant to the Agreement as if Buyer was the original party to the Agreement instead of the Company.

**Burlington Water District**
